Lucy really goes above and beyond as a TF and really clearly cares about students and pedagogy. Sections are well thought out and incredibly engaging, especially given the Zoom context. Lucy is also very receptive to questions and emails and giving additional help when students ask for it.
LUCY WAS THE BEST PART OF THIS CLASS. MAKE SURE YOU GET LUCY AS A SECTION LEADER BECAUSE SHE WAS THE BEST SECTION LEADER I HAD AT HARVARD!
I wasn't actually in Lucy's section but I loved having her be the zoom breakout room TF! Thanks for letting me come to your section dinner, you're great!
Best section leader ever, really made the course amazing. Super helpful and taught course material really well
super helpful TF. The best TF I have ever had. Went through the pssets with us in section to make sure we were in the best shape possible in the class. Seemed very open to helping out whenever we had questions.
Lucy has been a great section leader. I really enjoyed coming to section since she made it quite interactive and fun.
Lucy is one of the best, if not the best section leader/teaching fellow I've had at Harvard. Considering the fact that she was a Ph. D student in the Neuroscience Department, it was almost as if she was just another student in the class that we could openly converse with during section, during office hours, or over email to get answers, help, or advice on not only course material, but being a college student in general. I can say with absolute certainty that every student in our section enjoyed having Lucy as a section leader/teaching fellow, and she contributed GREATLY to our overall enjoyment of the course. She easily encouraged participation through ice breakers, or questions about how our lives were going in general, and she provided excellent help on problem sets. If it weren't for Lucy, I would have a significantly worse grade in the class, and I definitely would not have learned as much as I did. Lucy is the greatest!
Very enthusiastic, genuine, personable, and makes learning enjoyable and less stressful for everyone. One of the best TAs!
LUCY DESERVES A RAISE. Seriously, very passionate TF that would stay for far longer than the allocated time for sections going over student questions or just chatting about how to attack the pssets, life, etc. Her section in general was a joy, such a nice discussion environment she fostered there that EVERYONE had their cameras on and mics on all the time and were always talking a laughing. This class was absolutely fantastic but a significant part of that is because of Lucy and everything she meant for us.
